Amendment #1 to
Program Term Sheet #2
Master of Science in Cybersecurity Program

This Amendment #1 to Program Term Sheet #2 ("Program Term Sheet") is entered into as of the date of last signature below ("Effective Date") pursuant to the e-Learning Program Master Services Agreement ("Agreement") and Program Term Sheet #2, each between Embanet-Compass Knowledge Group Inc. ("Pearson") and the University of North Dakota ("University").

WHEREAS, the Parties entered into the e-Learning Program Master Services Agreement effective February 28, 2018 ("Agreement"); and;

WHEREAS, the Parties entered into Program Term Sheet #2 (Master of Science in Cybersecurity Program), effective March 2, 2018 ("Program Term Sheet #2"); and;

WHEREAS, the Parties now desire to amend Program Term Sheet #2 on the terms and conditions set forth in this Amendment #1;

NOW THEREFORE, the Parties hereby agree to amend Program Term Sheet #1 as follows:

1. Section 1 of the Program Term Sheet #2 shall be deleted in its entirety and replaced with the following:

"1.   <u>e-Learning Program</u>:

The Master of Science in Cyber Security and Graduate Certificate Programs described below shall collectively be referred to as the "Program":

a. Master of Science in Cyber Security with embedded certificates ("Masters Program") available in:
     a. Cyber Security Analyst
     b. Computer Hacking Forensics
     c. Ethical Hacking; and
     d. Secure Networks
b. Graduate Certificates ("Graduate Certificate Program"):
     a. Cyber Security Analyst
     b. Computer Hacking Forensics
     c. Ethical Hacking; and
     d. Secure Networks

The Graduate Certificates will be available for individual enrollment starting Fall 2022. Beginning with the Fall 2022 semester, Program Students may register for the Graduate Certificate Program without otherwise being enrolled in the Master of Science in Cyber Security Program. Students in the Masters Program must earn

959173.1

thirty-six (36) semester credits to graduate. Students in an individual Graduate Certificate Program must earn nine (9) semester credits to graduate.

2. Section 3 of the Program Term Sheet #2 shall be deleted in its entirety and replaced with the following:

"3.   Program Courses: The following fifteen (15) courses shall make up the Program. The curriculum for the Graduate Certificates shall consist of Courses selected from the Program Courses for the Masters Program. The Parties acknowledge that the courses names and numbers may vary from those set forth in the table below.

Course	Number	Credits
Analytical Foundation of Cyber Security	EE 601	3
Computing Foundations of Cyber Security	EE 602	3
Vulnerability Assessment	CSCI 585	3
Emerging Cyber Threats and Defenses	EE 611	3
Human Factors in Cyber Security	PSYC 522	3
Penetration Testing	CSCI 487	3
Secure Software Engineering	CSCI 567	3
Ethical Hacking	CSCI 587	3
Intrusion Detection Algorithms & Tools	EE 740	3
Computer Forensics	CSCI 557	3
Insider Threat Analysis	PSYC 525	3
Application Layer Security	CSCI 589	3
Applied Cryptography	EE 614	3
Communication Protocols: OSI model and TCP/IP Protocol Stack	EE 640	3
Capstone	EECS 994	3

3. Section 7 of the Program Term Sheet #2 shall be deleted in its entirety and replaced with the following:

"7.   Course Length. 14 (fourteen) weeks.

4. Section 8 of the Program Term Sheet #2 shall be amended by deleting the number "17" and inserting the number "24" in its place.

5. Section 15 of the Program Term Sheet #2 shall be deleted in its entirety and replaced with the following:

"15.   Minimum Number of Program Students (Section 8.3 of the Agreement):

The Minimum Number of Program Students pursuant to Section 8.3(iv) of the Agreement, inclusive of Program Students in the Masters Programs and Graduate Certificate Programs, shall be ninety-five (95) Program Students, of which at least 71 students must be enrolled in the Masters Program. In the event that the combined enrollments of the Masters Program and Graduate Certificate Programs is less than 95 students or the enrollment in the Masters Program is less than 71 students during any non-summer semester, then the Parties will meet to discuss the issue in good faith and mutually determine what, if any steps, should be taken to correct the desired enrollment. In the event that the Parties cannot to agree to any such adjustments to address the issue, then either Party may terminate this Term Sheet #2 upon one hundred twenty (120) days prior written notice.
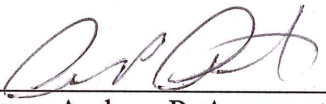

6. **No Other Changes.** All other terms and conditions of the Agreement shall remain in full force and effect.

WHEREFORE, the Parties have entered into this Amendment #1 on the date of the last signature below, effective as of the Effective Date.
